

ROGER MARTIN

Roger Martin is the Senior Vice President, Chief IP Strategist at Qualcomm, Inc.

SENIOR VICE PRESIDENT,
CHIEF IP STRATEGIST

QUALCOMM, INC
5775 MOREHOUSE DRIVE
SAN DIEGO, CA, 92121-1714

Mr. Martin attended the University of California, San Diego under a Navy ROTC scholarship and graduated in 1988 with a BSEE degree. Upon graduation, Mr. Martin received his commission as a Naval Officer, serving honorably during the first Gulf War. Immediately upon leaving active duty, Mr. Martin started at Qualcomm in 1993 as an engineer. He attended the University of San Diego School of Law at night while working at Qualcomm full-time as a patent agent during the day, drafting and prosecuting many of Qualcomm's fundamental patents. Mr. Martin earned his J.D., *magna cum laude*, in 1997.

Over the last 10 years, Mr. Martin has worked primarily on patent litigation at Qualcomm and was recently selected to lead a newly-created IP Strategy group that has overall responsibility for the strategic direction of Qualcomm's IP portfolio.
