Spot the Foley Team at these ACC Annual Meeting Sessions!

Booth #524

Monday October 28th

4:30 p.m. – 6:30 p.m.

408–Telemedicine and Telehealth: The Future Is Now!

North Building, Room 125 // Nate Lacktman, Partner (Additional Speakers: Jennifer Crawford, General Counsel, Medici)

This intermediate/advanced session will provide an informative discussion regarding the evolution and provision of telemedicine health services, such as state licensure requirements for providers of these services, criteria for establishing practitioner–patient relationships via telehealth technologies, accepted modalities for delivery of telehealth services, coverage and reimbursement issues, and much more.

Tuesday October 29th

9:00 a.m. – 12:30 p.m.

513–Anatomy of a Deal: Health Care Style

North Building, Room 232AB // Chris Donovan, Partner; Jana Kolarik, Partner; Roger Strode, Partner (Additional Speakers: Gabriel Holdzman, Senior Vice President and General Counsel, PTC Therapeutics, Inc.; Kenny Johnson, Chief General Counsel, Sonic Healthcare USA; Jason Stevens, Vice President and Deputy General Counsel, WellStar Health System, Inc.)

This limited-attendance, hands-on session will present a series of discussions combined with active roundtable audience participation and group work to analyze a hypothetical health-related transaction. You'll learn the deal process from NDA to LOI to definitive agreement, hear due diligence approaches and alignment with pricing strategy, discuss key risk allocation, identify unique health care successor liability rules, and much more.

Wednesday October 30th

11:00 a.m. – 12:30 p.m.

1002–The Next Big Thing You'll Have to Worry About

North Building, Room 120A // Coleman Lechner, Of Counsel; Christopher Swift, Partner (Additional Speakers: Kim Marotta, Global Senior Director Sustainability & Alcohol Policy, Molson Coors; JC Miller, Senior Advisor, Save the Children US)

This fireside chat and armchair discussion between experts will give their best prognostications about everything that's likely to happen in the near future. Covering the next big things to impact the labor pool, the economy, and geopolitics, hear how these critical thinkers suggest you can get ahead of the problem before it disrupts your company. A great session for the CLO.
