

Michael D. Kaminski

Partner/Retired

mdkaminski2021@gmail.com

Washington, D.C.

Tokyo JP

Michael Kaminski is an intellectual property attorney who has litigated, prosecuted, and counseled clients primarily in the chemical, pharmaceutical, and chemical engineering fields. He conducts “first chair” litigation in Federal District Court. He also has appellate court experience.

Michael has been involved with ANDA litigation and other litigation ranging from pharmaceuticals (non-ANDA), LEDs, automotive safety devices, radiological contrast agents, paint spray booth additives, and distillation column packing, to sports equipment and food technologies.

He is the co-managing partner of the firm’s Tokyo office and was formerly the IP Department’s operations chair for a number of years, responsible for managing the department’s support structure, best practices, and quality assurance initiatives and training. Michael is a member of the firm’s IP Litigation, Mechanical & Electromechanical Technologies, and Chemical, Biotechnology & Pharmaceutical Practices.

Prior to law school, Michael worked as a research chemical engineer for a major oil company and for a major chemical company.
