Dallas

214.999.3128

Mitchell (Mitch) Holliman advises public and private companies, as well as private equity investors, on a wide range of transactions, private equity investments, mergers and acquisitions, and other complex commercial arrangements. With extensive experience primarily in the upstream, midstream, and renewable energy and infrastructure sectors, Mitch provides strategic counsel on both domestic and international matters.

Mitch advises clients on equity and asset acquisitions and divestitures, complex energy and infrastructure projects, and a variety of commercial agreements including participation agreements, transportation, supply agreements, and other key arrangements related to the development and management of real assets.

Representative Experience

- Represented SM Energy Company (NYSE: SM) in its \$2.55 billion acquisition of Uinta Basin assets from XCL Resources, LLC, and Northern Oil and Gas, Inc. (NYSE: NOG) in its concurrent \$510 million acquisition of an undivided 20% stake of the oil and gas assets of XCL Resources, LLC.*
