Maren Laurence is an intellectual property litigator who advocates for clients in a wide range of disputes, including patent, trademark, trade dress, false advertising, unfair competition, copyright, and trade secret litigation throughout the United States. She has litigated cases across the United States, including proceedings before the International Trade Commission.

Maren manages all phases of complex intellectual property disputes, from early case evaluation and discovery through trial preparation. With her experience in intellectual property litigation, Maren's attention to detail allows her to diligently manage discovery and assist in formulating strategies to best serve clients' interests.

Maren has represented and advised clients in diverse industries and technologies, including robot process automation/intelligent automation, home automation and security, solar, IoT, home fitness technology, aquatic engineering and design, and fashion and beauty. She is a member of the firm's Innovative Technology Sector, IP Litigation Practice Group, Patent Litigation Practice Group, and Foley's Fashion, Apparel & Beauty Industry Team.
