Mike Donohue is a respected corporate tax attorney and certified public accountant, representing U.S. and multinational companies with complex tax issues, including in the private equity sector. A partner in the firm's Taxation Practice, clients rely on his experience as a transactional tax attorney to handle income tax planning for complex business transactions involving C corporations, S corporations, and partnerships.

He has significant, first-hand experience analyzing tax issues including with respect to structuring and negotiating large-scale mergers and acquisitions, complex business restructurings and divestures, equity and debt financing, and formation of entities.

Mike is often brought into a transaction to implement a tax efficient structure that accomplishes the business objectives of his clients. He has over 35 years of experience and has worked in the private equity space since the early 2000s.
