Kristin Fanto guides businesses through the intricacies of corporate transactions. With a comprehensive end-to-end approach, she offers strategic counsel to clients engaged in various stages of corporate transactions. From small start-ups to large corporations, Kristin's practice is focused on mergers and acquisitions, capital markets and public company transactions, securities law compliance and reporting, venture capital financings, and general corporate matters.

Kristin frequently represents issuers in initial and follow-on public offerings, and she regularly advises public companies in various industries on SEC compliance, reporting and governance matters. She also regularly serves as counsel in merger and acquisition transactions involving private and public companies in various industries. Additionally, she represents issuers and investors in venture capital, private equity, and private placement transactions.

Kristin's experience extends across diverse sectors such as innovative technology, healthcare, food & beverage, life sciences, and fashion. Known for her deep understanding of the complexities inherent in corporate transactions, Kristin takes pride in delivering strategic business solutions tailored to clients' unique needs.
