Boston

617.226.3196

Jessica Joseph defends clients nationwide in government investigations and enforcement actions, conducts internal investigations, particularly as related to allegations of fraud or other wrongdoing, and files and defends health care and employment litigation.

Jessica has represented numerous members of the health care industry in investigations and litigation, particularly in matters initiated by or otherwise adverse to the government and whistleblowers, and she offers clients a wealth of experience regarding the False Claims Act, the Anti-Kickback Statute, and the physician self-referral prohibition (the Stark Law). Jessica's health care sector clients have included hospitals, health systems, physician groups, pharmacies, medical laboratories, emergency medical services providers, pharmaceutical manufacturers, durable medical equipment suppliers, and telehealth providers. Additionally, Jessica has significant experience counseling clients and handling labor and employment related disputes and litigation, including prosecuting and defending restrictive covenants, trade secret theft claims, and discrimination and retaliation claims.
