Z. Julie Lee is a partner and business lawyer with Foley & Lardner LLP. Julie represents U.S. and international clients on tax and general corporate matters, with an emphasis on cross-border transactions.

Julie frequently represents clients in the following areas of tax law:

- advising U.S. clients to structure operations, acquisitions, and reorganizations inside and outside the United States
- assisting foreign clients' investments in, and acquisitions/dispositions of, U.S. businesses and assets
- counseling clients on tax issues resulting from employees working remotely and other cross-border employment issues
- advising clients on tax issues involved in financing matters

Additionally, Julie represents clients on tax matters before the Internal Revenue Service, including obtaining private letter rulings and handling IRS audits and collection actions.

Julie also has extensive experience representing clients with their cross-border transactions, with an emphasis on China and other Asian countries. She counsels clients on mergers and acquisitions, joint ventures and strategic alliances, and commercial transactions such as supply agreements, licensing arrangements, and distributorship agreements.

Representative Experience

Representative Tax-Related Experience

A list of Julie's recent representative tax-related experience includes:

- Represented U.S. companies on tax issues involved in cross-border joint ventures and acquisitions

- Represented Chinese and European companies to structure their investment in the U.S. in a tax-efficient manner
- Represented U.S. companies and non-U.S. companies on inter-company transfer pricing issues and issues resulting from sending employees to work in a foreign country

Representative Cross-border Corporate Transactions

A list of Julie's recent representative cross-border corporate transactions includes:

- Represented a publicly-traded U.S. manufacturing company on its acquisition of equity interests in a formerly state-owned enterprise in the restricted industry in China
