

Melinda F. Levitt

Partner

mlevitt@foley.com

Washington, D.C.

202.672.5356

Melinda F. Levitt's practice focuses on complex commercial litigation, including the areas of antitrust and class action defense work in matters pending before federal and state courts, as well as various federal agencies. She is a member of the firm's Antitrust and Privacy, Security & Information Management.

Melinda has developed in-depth experience in complex electronic discovery matters and regularly publishes and speaks on a variety of eDiscovery developments and recommended best practices.

In addition to her litigation activities, Melinda also has experience in international trade matters, having previously worked at the U.S. Department of Commerce as an import specialist. Her work in this area has included antidumping case work and counseling and representing clients before the Office of the United States Trade Representative, the European Commission, and various other governmental trade officials.
