

Yi Shi

Patent Law Clerk

yshi@foley.com

Boston

617.226.3175

Dr. Yi Shi focuses her practice on preparing and prosecuting both U.S. and foreign patent applications in a wide range of technologies, including small molecule pharmaceuticals, polymers, nanoparticles, and materials.

Before joining Foley, Yi worked as a technology specialist and patent agent for a global firm located in Boston. She also was a postdoctoral fellow at Northwestern University, where she conducted research in supramolecular chemistry and materials science. Yi is the co-author of 20 scientific journal articles.

Presentations and Publications*

- Co-Author, Zhou, L.; Shi, Y.; Xiao, Q.; Liu, Y.; Ye, F.; Zhang, Y.; Wang, J. *Org. Lett.* 2011, 13, 968. (Highlighted by Synfacts, 2011, 5, 544 and Organic Chemistry Portal) (2011)
- Co-Author, Shi, Y.; Gevorgyan, V. *Org. Lett.* 2013, 15, 5394. (2013)
- Co-Author, Shi, Y.; Gulevich, A. V.; Gevorgyan, V. *Angew. Chem., Int. Ed.* 2014, 53, 14191. (Highlighted by Synfacts, 2015, 11, 592) (2015)
- Co-Author, Shi, Y.; Gevorgyan, V. *Chem. Commun.* 2015, 51, 17166. (2015)
- Co-Author, Shi, Y.; Cai, K.; Xiao, H.; Liu, Z.; Zhou, J.; Shen, D.; Qiu, Y.; Guo, Q.-H.; Stern, C. L.; Wasielewski, M. R.; Diederich, F.; Goddard III, W. A.; Stoddart, J. F. *J. Am. Chem. Soc.* 2018, 140, 13835. (2018)

*Publications written prior to joining Foley.

Practice Areas

- [Chemical, Biotechnology & Pharmaceutical](#)

Education

- University of Illinois at Chicago (Ph.D., 2017)

- Organic and Organometallic Chemistry
- Peking University, Beijing, China (B.S., 2011)
 - Chemistry

Admissions

- U.S. Patent and Trademark Office
