Sierra Stone is a law graduate with Foley who supports clients through legal research, writing, and advocacy, with a strong foundation in both academic excellence and team leadership. She has contributed to legal document drafting and client service as a Summer Associate in the transactions practice. Her background includes experience in construction project management and NCAA Division I athletics, reflecting her discipline and collaborative mindset.

Sierra was an Associate Managing Editor for the *SMU Law Review Association* and a nominee for Best Brief in the Jackson Walker Moot Court Competition. She graduated top 10% of her class at SMU Dedman School of Law. Sierra earned her B.A. summa cum laude in criminal justice and liberal arts from Northwestern State University, where she also served as President of the Blue Key Honor Society and competed as a student-athlete on the Lady Demons Softball Team.
