Blake Tengberg is a business lawyer who guides companies and entrepreneurs through the complexities of scaling, protecting their ventures, and navigating legal challenges. He advises businesses in many different industries, including innovative technology, entertainment, restaurants, consumer product, and food and beverage companies.

Blake has extensive experience with corporate mergers and acquisitions – particularly cross-border M&A – dispositions, minority investments, joint ventures, fund transactions, debt and equity financings, and recapitalizations for corporate and middle-market companies throughout the United States. He handles all aspects of the deal process, including working with corporate boards and senior management on pre-acquisition planning, transaction structuring, drafting, and negotiating acquisition and related agreements and post-acquisition integration planning.

In addition to being a deal lawyer, he often serves as outside general counsel for his clients, who appreciate his pragmatic approach to complex situations.

“I truly appreciated Blake’s assistance. One of the best decisions I made was seeking his legal counsel.”
-Joshua Kwon, GC Foods

“I got to know Blake back at BYU when we lived near each other. He immediately impressed me as someone that is dedicated to growth and excellence. I had the opportunity to work with Blake when I started DentalRay, and his personal growth and excellence have translated well into his legal practice.”
-Caleb Manscill, DentalRay

Blake is a member of our Business Law Department and Transactions Practice Group and is based in our Salt Lake City office.
