

Katherine M. Plachta

Associate

kplachta@foley.com

Madison

608.258.4302

Katie Plachta assists clients with compliance and transactional matters as a member of Foley & Lardner's Environmental Practice Group. She has experience working on permitting issues, endangered species issues, Superfund sites, solar project transactions, and business transactions.

Prior to joining Foley, Katie worked as a law clerk at the Wisconsin Department of Justice's Environmental Protection Unit and Midwest Environmental Advocates. She also served as a law fellow for the UW System's Office of General Counsel where she prepared memoranda on constitutional issues in higher education and employment matters.
